APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following conditions and restrictions on the grounds that the applicants failed to make a showing within the time allowed by office letter of Oct. 10, 1913, to the effect that the applicants had actual use for the water and that the application would be prosecuted with reasonable diligence to completion (if approved). Therefore any other action than to deny the application would be detrimental to the public welfare. The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed xxxxxxxxxx cubic feet per second.

Actual construction work shall begin on or before xxxxxxxxxxxxxx

Proof of commencement of work shall be filed before xxxxxxxxxxxxxx

Work must be prosecuted with reasonable diligence and be completed on or before xxxxxxxxxxxxxx

Application of water to beneficial use shall be made on or before xxxxxxxxxxxxxx

Proof of the application of water to beneficial use must be filed with the State Engineer on or before xxxxxxxxxxxxxx

WITNESS MY HAND AND SEAL this 28th day of November, 1913.

W.M. Kearney State Engineer.
